Page Explanation (This is the Page Title)

Only use Large Headers for very Important points, Page Title is usually enough!

Medium Header for important talking points

Small header for important sub-points, or if the topic is simple enough you can start with Small Headers instead of Medium Headers

Only use Tiny Headers for sub-points, never as main talking points!

Paragraphs for longer and concrete information, preferred for flavor text

- Bullet List for short and simple sub-points
  - Add sub Bullet points as needed, try to keep sub-points smaller than higher points
- Unsorted information, does not have to follow a certain order

1. Bullet List detailing simple steps or processes
   1. Add sub Bullet points as needed, try to keep sub-points smaller than higher points
2. Sorted information, order is very important
3. Bullet List and Numbered List can be mixed
   - Like this, for example
