History (WIP)

The Leader

He holds the faction and acts as father and friend to everyone. Many have asked themselves why he started this life, but not even the veterans of the faction have any conclusive ideas. He never wants to talk about his private life, which makes him seem the most distant of all the member, but as he always shoulders the responsibility of keeping them in high spirits and helping with all their personal and trading problems, they all decided to not push him. However, some speculations between their ranks come up regularly due to the leader’s mannerisms and way of speech. When he needs to barter with aristocrats, he tends to be too well-spoken for being just a regular merchant, resembling more a count talking to acquaintances. But in complete contrast he always knows his way out of a sticky situation, like he once was on the run. Nevertheless, it is unimously agreed upon, that the leader is the right guy for the important job of giving them the opportunity to a comfortable life.
