Ancient Civilization(WIP)

Nature of the Civilization:

- anthropomorphic dinosaurs.
- Highly advanced in magic, blending it seamlessly into their daily lives.

Disappearance:

- They vanished suddenly, leaving behind no clear explanation.
- Possible causes:
  - A magical experiment gone wrong.
  - Gradual fading into another plane of existence.
  - Abandoning the forest for unknown reasons.

Legacy:

- Artifacts and ruins are the only remnants of their civilization.
- Their creations, once stable and controlled, are now unpredictable and dangerous.
- The myths surrounding their disappearance fuel the curiosity and fear of current forest inhabitants.
